Dreamshine is an innovative year round Adult Day Support, including job and community engagement, and transportation. Our campus is located on a lush 2.5 acres with 2 beautiful buildings: Our Log Cabin and Waterfront Lodge. We feature a pond for fishing, vegetable/ herb garden, hot tub, woods, and so much more! Dreamshine was Founded in 2007. The vision was born out of a passion for creating and maintaining an amazing program and beautiful environment based upon creating incredible options for each individual with developmental disabilities, focusing on incredible options tailored to the person first/centered, for each individual Dreamshine is honored to serve, & most important...to have fun!!!! We continue to seek ways to improve our facility, our training and our activities to make Dreamshine a unique day and work program, embracing the community, always innovating and elevating, in a beautiful, resort-like setting. All compliance reviews with ODODD have shown as being 100% compliant.
