Willing Hands, Inc. Promoting Quality Of Life Willing Hands, Inc. is an organization that provides community based supported living and employment services. We provide services 24-hours per day in group home settings. In addition, we provide drop in support to individuals residing independently. Our staff are skilled in working with consumers to pursue and achieve all that is important to and for the individual. We EMPOWER consumers to make choices. We ASSIST individuals with achieving a higher level of independent living. We BUILD self-confidence, self-determination, and self-advocacy. We PROMOTE personal growth, person-centered planning and healthy life choices. At Willing Hands, Inc. individuals come first.
