The Society (SHC), The Society for Handicapped Citizens was founded in 1953 for the purpose of providing care, training, education, housing, recreation and other services to people with developmental disabilities. The Society's Link Program provides an opportunity for individuals to attend our day programs. The day programs are curriculum based and provide opportunities for community integration through job training and community volunteering. LBS provides jobs to people with disabilities. Camp Paradise offers a day and overnight summer camp program for adults in June & July. The Society provides 24-hour care in nine group homes for adults with developmental disabilities. In addition, services are provided to individuals living in the community. Watch the video to learn more!
