At Ardmore we believe everyone deserves to be safe, seen, accepted, loved and given opportunities to contribute. Ardmore has provided services in Summit County for over 40 years. We currently provide: Residential supports in your home with 1-3 roommates, if you need 24/7 onsite staff to keep you safe and healthy. We also provide opportunities for you to make friends and find places in the community where you belong and are missed when you aren't there! Drop in services if you live independently in the community or with family. The option of a Shared Living family for support. Two day programs: At Bridges you can explore your community, go to classes or just hang out doing what you enjoy and at Theater on the Spectrum where you can sing, act, work on props, write scripts and hone your performance skills. Employment Services to help you find a job, learn about your new job and keep your job!
