First Response Transportation LLC is a small family owned agency. Our agency services clients who are in need of NMT through the DODD. Clients of our agency enjoy a balance of stability, personable drivers, a friendly atmosphere and a impressive safety record. Drivers are trained before any client contact in regards to the special accomodations of our consumers. This training enables our drivers to better understand the needs of their clients. First Response Transportation LLC complies with all the required background checks which includes BCI, FBI, Drug screening and defensive driving prior to employment and client contact. Our goal is to have constant communication with our clients, guardians and the Support Administrators. Choosing a provider of any kind can be a very difficult decision. Let our family owned business take your worries away.
