Day Support: HELP's Adult Day Support programs are located in Euclid, Lakewood and Northfield. All programs provide a full-day of supported, engaging activities that focus on skill development, socialization, and community integration. Vocational Job Training: Vocational training programs employ adults in a variety of short and long term employment opportunities such as HELP Shredding, HELP Scanning, and HELP Catering where employees learn valuable workplace skills and behaviors while earning a competitive hourly wage. Vocational training programs are available at all of HELP's locations, including Euclid, Lakewood, and Northfield. In addition, we partner with numerous community business to extend training into real-world environments. Residential: HELP's 20+ residential sites range from fully supported group homes with staff and assistance 24/7 to semi-independent apartments for consumers who have the necessary skills to live independently receiving drop-in services throughout the week.
