GentleBrook offers comprehensive learning in a safe, integrated setting for individuals with developmental disabilities. Our services challenge each individual to grow beyond their comfort zone to reach their highest potential. We provide assessments and skill development, work readiness skill building, vocational training and job matching, and supported employment. We also provide housing solutions that maximize independence. We have multiple Intermediate Care Facilities (ICFs) in both Stark and Coshocton Counties. The ICFs provide: 24-hour supervision and on-site nursing Individualized work training supports and services Life skills mentoring and support Social and recreational activities Home-like environment Respite services Therapeutic services
