

Vinton Industries Inc.

31835 State Route 93
Mcarthur, Ohio 45651
United States

Phone: 7404867303

We are a Vinton County based day facility that offers vocational and habilitation training to individuals in Vinton and surrounding counties. We currently offer employment opportunities to those we serve through a county wide recycling program and cleaning contracts within the community. We also offer HPC services to individuals that require them.
