Our philosophy is simple: Provide the assistance needed to ensure that every person leads the life they want to live, while treating them with the respect and dignity they deserve. Employee training: Our goal is not to meet the standards but to exceed them in order to give our employees the knowledge and confidence they need. Under no circumstance is a new employee left alone until they are comfortable in their new position. Response to emergencies? Our emergency number, 440-497-0578, is answered 24 hours a day. Life does not happen just during business hours! Other information about us: Clear Skies Ahead, LLC is dedicated to assisting individuals with developmental disabilities become the best they can be. To support each individual with outcome based services to maintain a full life in their home and community. We are not just a provider - we are also the parents of Thomas, an exceptional young man with autism. Contact our community relations at 440-632-3157 and you will speak to him!
